Join Us For a Complimentary Breakfast at 2026 NAB Show!

IABM will unveil a **major announcement impacting the future of the MediaTech industry** during the 2026 NAB Show. Details are currently under embargo and will be shared exclusively with attending press. [Learn more about IABM.](#)

The media technology landscape is undergoing rapid transformation across broadcast, streaming, enterprise, and emerging sectors. IABM's announcement reflects a significant step in how the industry connects, collaborates, and evolves moving forward. Gain early insight into:

- A major strategic development from IABM
- What it signals for the broader MediaTech ecosystem
- New opportunities for industry alignment, growth, and innovation
- Opportunity for **follow-up interviews with IABM leadership**

After the briefing, press are welcome to stay for [IABM's flagship State of MediaTech report](#) – giving you a clear view of where the market is heading, where investment is accelerating, and how to focus your time at NAB for maximum impact.

When: Sunday, April 19, 2026

- **8:00 AM** – Breakfast served
- **8:30 AM** – Press briefing begins
- **~9:15 AM** – Program concludes (*estimated*)

Where: Room N250 in the LVCC at 2026 NAB Show

North Hall, Level 2 – near Press/Newsroom area
